Volunteer Fact Sheet/Agreement Application Process

Thank you for your interest in volunteering at the Kearney Center! If you have any questions or concerns regarding your application, you can email the volunteer coordinator at volunteer@cesctlh.org. Once your application is processed, the Volunteer Coordinator will contact you by email or phone. With the exception large volunteer groups, volunteers are required to attend a 30-minute volunteer orientation, where you will take a quick tour of the facility, learn more about what we do, and schedule your hours according to your availability.

Volunteer Opportunities

There are many different opportunities for volunteering at the Kearney Center. However, since we have a high volume of individuals volunteering their time, we may not be able to accommodate everyone. Knowing your availability and interests will help us find you a role at the center, although you may need to wait until there is an opening. In this case, we will add you to our volunteer waiting list and the volunteer coordinator will contact you as soon as there is an opening available for you. Large groups wanting to volunteer may want to consider working in the kitchen, doing a neighborhood cleanup, or organizing a donation drive for facility needs. We also have opportunities for volunteers to facilitate groups and classes for clients. If you have special expertise that would support our program goals, please ask us for a Program/Class Application.

Volunteer Responsibilities

Opportunities will be based upon staffing and client needs, which may be subject to change. The Volunteer Coordinator will be your primary point of contact for scheduling changes and questions, but all volunteers will be supervised by staff. Additional direction will come from the supervisor on your shift. All volunteers must adhere to the policies and procedures of the Kearney Center and show respect for all Kearney Center clients, visitors, volunteers, staff, and physical property.

Volunteer Guidelines

All volunteers are expected to adhere to all Kearney Center policies and maintain professional boundaries with clients. All volunteers are expected to adhere to the code of conduct, and dress in an appropriate manner as mentioned in orientation. Volunteers must be present for their scheduled hours, sign in and out each day in the log book located at the front reception, and return your volunteer badge at the end of your shift. Any volunteer that does not follow volunteer policy may be sent home or have their volunteer opportunity terminated.

With my signature below I am agreeing to the following:
