### **Introduction**

Connecting Everyone with Second Chances (CESC) is a 501(c)(3) private non-profit organization with a goal to offer help and hope by creating solutions that provide a path to self-sufficiency to those in poverty. We execute this mission through a variety of projects one being the Kearney Center which provides congregate and non-congregate shelter for adults experiencing homelessness, the others being low-income housing at Westgate and the Dwellings

Connecting Everyone with Second Chances (CESC) invites proposals for a Security Company to provide security services to help promote a safe environment at CESC program sites as described in the Scope of Services section below.

## Background

Prior to COVID-19, CESC provided emergency shelter services 24/7 at the Kearney Center, a 36,000 square foot facility, to averages of 365 persons daily. With the onset of COVID-19, and CDC guidance to for people to stay 6-feet apart, CESC has placed the Kearney Center clients, an average of 400 people, in non-congregate shelter at 3 separate locations (two privately owned motels and one CESC operating apartment complex). CESC also uses the Kearney Center location to stage intakes, transportation to the various sites, and limited daytime services. CESC plans to eventually move limited numbers of Kearney Center clients back to the Kearney Center when it is safe to do and consolidated the off-site locations.

CESC also has low-income, low barrier housing at our Westgate apartment style property. Westgate has 11 buildings at this site and anywhere between 150-250 people living there. Most of the residents are paying to live in apartments at this site, but about 70 rooms are currently being used to shelter Kearney Center clients due CESC response to COVID-19.

CESC also has low-income, low barrier "Tiny House" style housing at its Dwellings location. There are currently 130 tiny homes here, a community center, garden and greenhouse, wood shop, laundry room and dining hall.

CESC has staff at each site and contracts with a security company to provide a combination of armed security officers and/or roving officers at each CESC site to help promote a safe environment. CESC is looking for a vendor to provide one off-duty law enforcement officer for an 8 hr shift nightly to support our staff and security services at all our sites as described below in the scope of services section.

## Submission Procedure

Proposals conforming to the requirements set out below must be received by email [Jacob.Reiter@cesctlh.org](mailto:Jacob.Reiter@cesctlh.org) no later than the deadline given above. Proposals must state that they are valid for a period of at least ninety (90) days from the closing deadline.

CESC reserves the right to waive irregularities and to reject any or all bids. CESC also reserves the right to negotiate with the selected bidder.
