RECENT SUCCESSES

Rance

"If you want to do better, The Kearney Center has everything you need. It's up to you."

Rance took his unfortunate situation as a means to turn things around. Through housing and social service programs at The Kearney Center, he was able to get back on his feet and recently moved into independent housing.

Eddie

"I'm so excited to be in a welcoming environment surrounded by friends."

After experiencing poor living conditions, Eddie connected with our social services team and is now a resident of The Dwellings, our sister organization. He takes pride in his new space and loves having his grandkids visit.
