

BENEFITING THE KEARNEY CENTER

As The Kearney Center celebrates its 10-year Anniversary, join us on April 10, 2025, at The Blu Halo for the inaugural Blue Jeans and Bourbon event benefiting The Kearney Center, a non-profit emergency shelter that serves eight counties in the Big Bend Region of Florida. The Center offers 24-hour comprehensive, wrap-around services including emergency shelter, nutritious meals, social services, case management, and medical care for individuals experiencing or on the verge of homelessness. Since 2015, The Kearney Center has provided nearly 35,000 services and served over 15,000 individuals. Your sponsorship and participation will enable even more of our most vulnerable community members to receive the life-changing services they need. *Thank you!*
